ACIRS 2020
2020 5th Asia-Pacific Conference on Intelligent Robot Systems
Singapore, 17-19 July, 2020

Publication
Accepted papers will be published into ACIRS 2020 Conference Proceedings which will be archived in Online Xplore Database and be submitted to EI Compendex and Scopus.

Important Date
- Submission of Full Papers: 1 March 2020
- Acceptance Notifications: 25 March 2020
- Submission of Paper Final Version: 10 April 2020

Conference Venue
Quality Hotel Marlow
Address: 201 Balestier Road, Novena, Singapore, Singapore, 329926

Submission Method
Online Submission System:
http://confsys.iconf.org/submission/acirs2020
Email: acirs@young.ac.cn

Call for Papers
http://www.acirs.org/

ACIRS 2020 - 2020 5th Asia-Pacific Conference on Intelligent Robot Systems will be held in Singapore, between 17-19 July, 2020. You are cordially invited to participate. The ACIRS 2020 is an annual event, addressing researchers and industries from all areas of Intelligent Robot Systems. It provides an international forum for the exchange between those fields, to present advances in the state of the art, identify emerging research topics, and together define the future of these exciting research domains.

Call for Papers
Systems, including techniques, performance, and implementation
- System components, virtual reality platforms
- AI platforms for VR/AR, cloud-based platforms
- Data generation, manipulation, analysis, and validation
- Tracking, physical environment mapping, registration
- Aerial vehicles
  - Agriculture Robots
  - autonomous systems
  - Biomimetic robotics
  - real applications of intelligent and robotic systems
- mobile robot platforms
  - Mobiligence
  - Motion Planning
  - Multi-Agent Systems
  - multi-level systems, etc.
